## Note from the President

To all of the alums who carry the legacy of Garrett Schools - welcome to this spring 2019 edition of *On Track!* In this issue we describe the schedule of activities we have planned for the Alumni Reunion Weekend (July 19-21, 2019), a rich potpourri of experiences. We have two strong purposes for the weekend: first is: to maximize the space and time for informal socializing, simply spending time with old friends; and the second is: to substantially increase the scholarship funds in the Alumni Trust. We encourage all who come to the reunion weekend (and those who can't make it) to dig deep. Deserving GHS grads have been awarded alumni scholarships for decades. We must not only continue this, we must increase the financial amounts we award. Join us as we're doggedly determined to increase the scholarship fund this year!

The 2019 executive board plans to move the association forward, but without sacrificing our history and tradition. Some activities are continuations of past traditions (golf outing Friday morning and lunch on Saturday) but we're trying some new ways in carrying them out.

The board needs your vote on new bylaws during the weekend. Ballots and ballot boxes will be easily found, as you'll see on the schedule of events. We're grateful to the City of Garrett and community businesses and organizations for their support; they're identified and thanked on the schedule.

**Send in your lunch, golf, and membership forms, and we'll see you in July!**
